

COVID-19 SPECIAL RELEASE FORM & PARTICIPANT'S ACKNOWLEDGEMENT OF RISKS

In consideration of the services of Mission Imperative, their officers, agents, and employees, and all other persons or entities associated with those businesses, including Master's Touch Christian Charter Service, Wilderness River Adventures (or current raft excursion), and Adventurous Antelope Canyon Tours (slot canyon), and all hotels/lodges, hereinafter collectively referred to as "SWS" (Southwest Safari), I agree as follows:

- I am fully aware of the existence and potential danger of the COVID-19 virus. Although SWS has taken reasonable steps to provide me with appropriate information so I can enjoy the activities associated with the trip, SWS has informed me that this activity is not without risk, the possibility of coming in contact with a carrier of the disease being one of them.
- I agree to practice safety/mitigation measures as much as possible 7 – 10 days prior to the trip to reduce the possibility of contracting COVID-19.
- I acknowledge that by engaging in this SWS activity, I may expose myself to someone who might have the virus, and that by so doing, I might contract the disease, too.
- I agree to withdraw from the trip and notify Mission Imperative if I have the major corona virus symptoms which currently include cough, fever, and shortness of breath within 10 days of the scheduled trip. I will *not* need to cancel my trip if I can document negative COVID-19 testing prior to departure.
- Due to restrictions in various areas as a result of COVID-19, there might be some activities in the normal itinerary that must be modified or cancelled. SWS has no control over these changes, and will do whatever possible to provide a substitute.
- In the unlikely event that the SWS is cancelled by Mission Imperative for 2021, my deposit will guarantee my place on the SWS for 2022. However, if I request a refund for 2021, then my space on the trip in 2022 is forfeited, and then subject to availability (there are already others on the list for 2021).
- If I cancel my trip myself, I understand the refund policy as stated in the initial letter I received regarding the SWS for 2021 – "Cancellations with full refund can be made up to 60 days prior to the departure of your trip. After that, and up to 30 days prior to departure, a cancellation will be subject to a 50% refund. No refunds are available for a cancellation within 30 days of departure. Trip cancellation insurance is worth considering if this is a concern."
- I have carefully read, clearly understood and accepted the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon myself, my heirs, assigns, personal representative and estate and for all members of my family, including minor children.

Optional Bonus Boxes – which have nothing whatsoever to do with the above!

(To protect your pen, you must wear a mask when checking the boxes below):

- I agree to laugh at all jokes made by the tour director, not because I have checked the box, but because I acknowledge the brilliance of the tour director.
- If I fall asleep on the coach when there is beautiful scenery outside, I agree that the tour director shall have the right to activate the ejector mechanism beneath my seat, thereby launching me into the Utah wilderness - to be possibly picked up next year.
- I agree that in the unlikely event that I should find a rattlesnake in my bed (or a tarantula, a scorpion, a gila monster, or a desert giraffe), I will not keep it to myself, but will be willing to share it with the entire group.
